**Norwalk Parking Authority Now Employing
License Plate Recognition Permit Program**

As part of our continuing efforts to enhance the level of services the Norwalk Parking Authority provides we are very happy to report that effective August 1, 2010 you will no longer have to print or display your monthly parking permit. Your registered vehicle's license plate will now serve as your permit.

The NPA will now be employing a license plate recognition (LPR) monthly parking permit program, which we are confident you will find more convenient and flexible to meet your needs.

Recognizing that many customers have access to and use multiple vehicles the new program will allow you to register up to three (3) vehicles per account. This will allow you the freedom of using any one (1) of the three registered vehicles without the need to transfer your permit from one vehicle to another.

In the meantime, should you have any questions comments or suggestions please feel free to contact our customer service office at (203) 831-9063.

Thank you.
